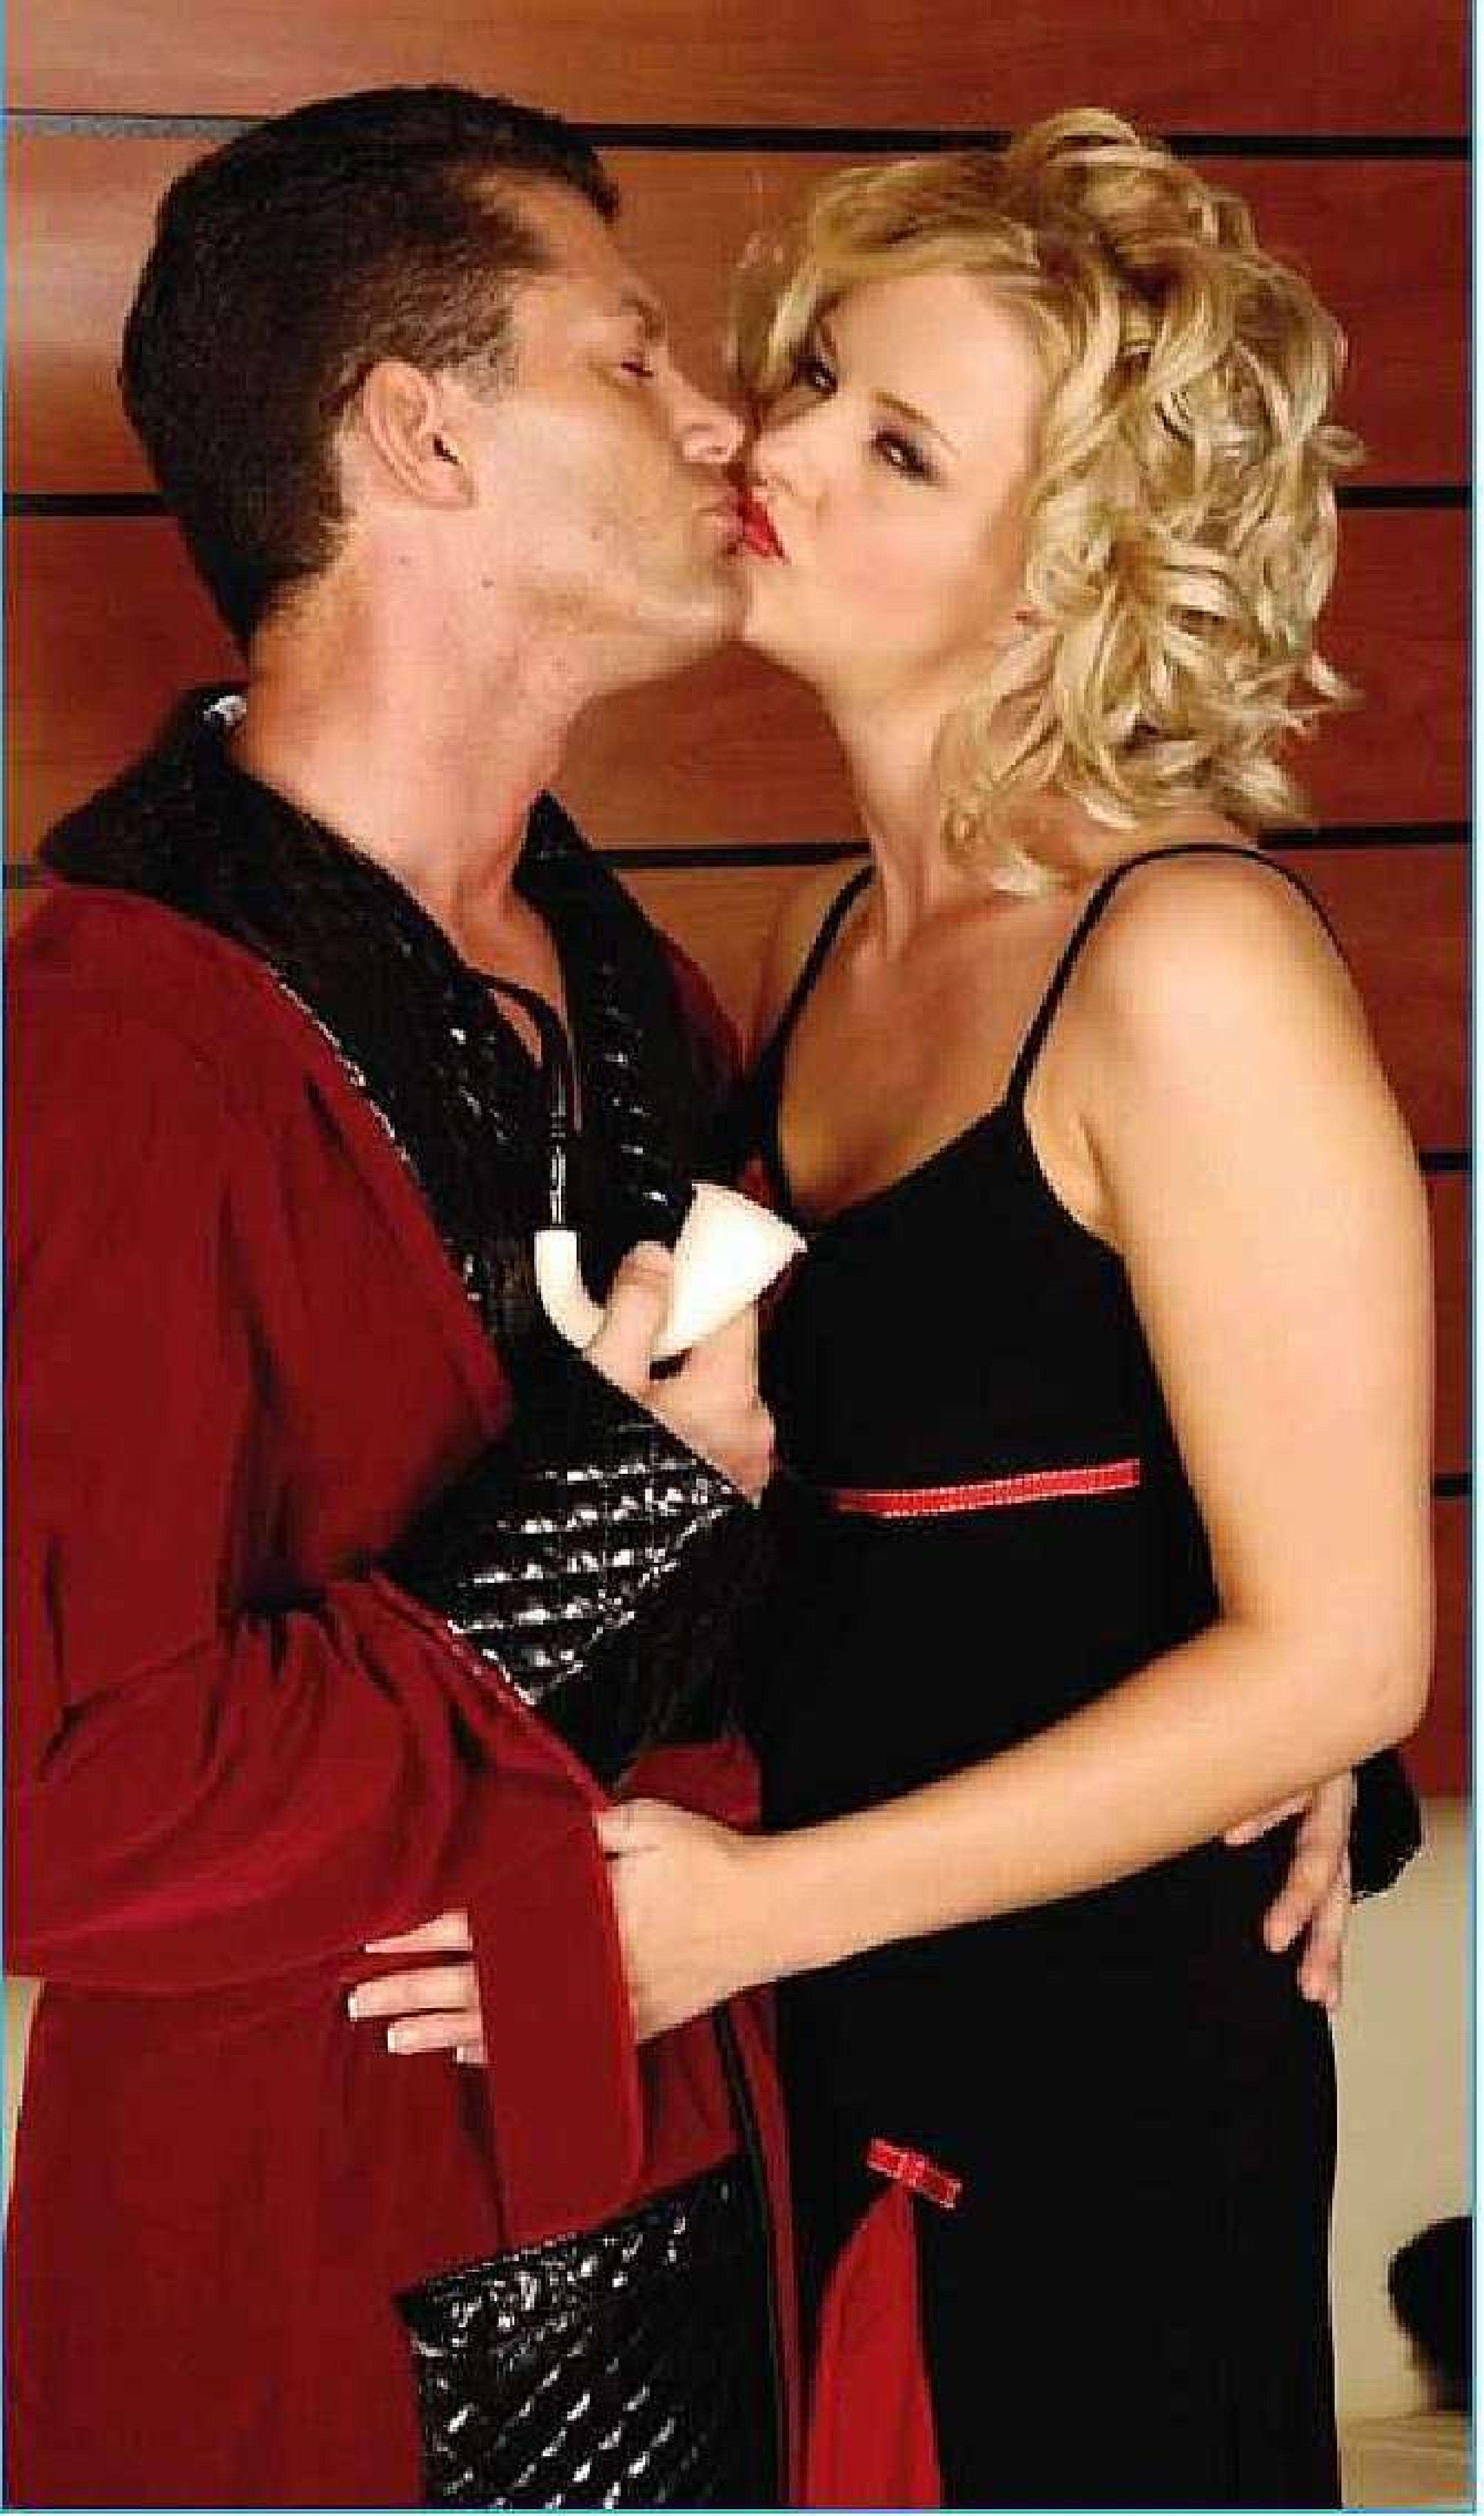
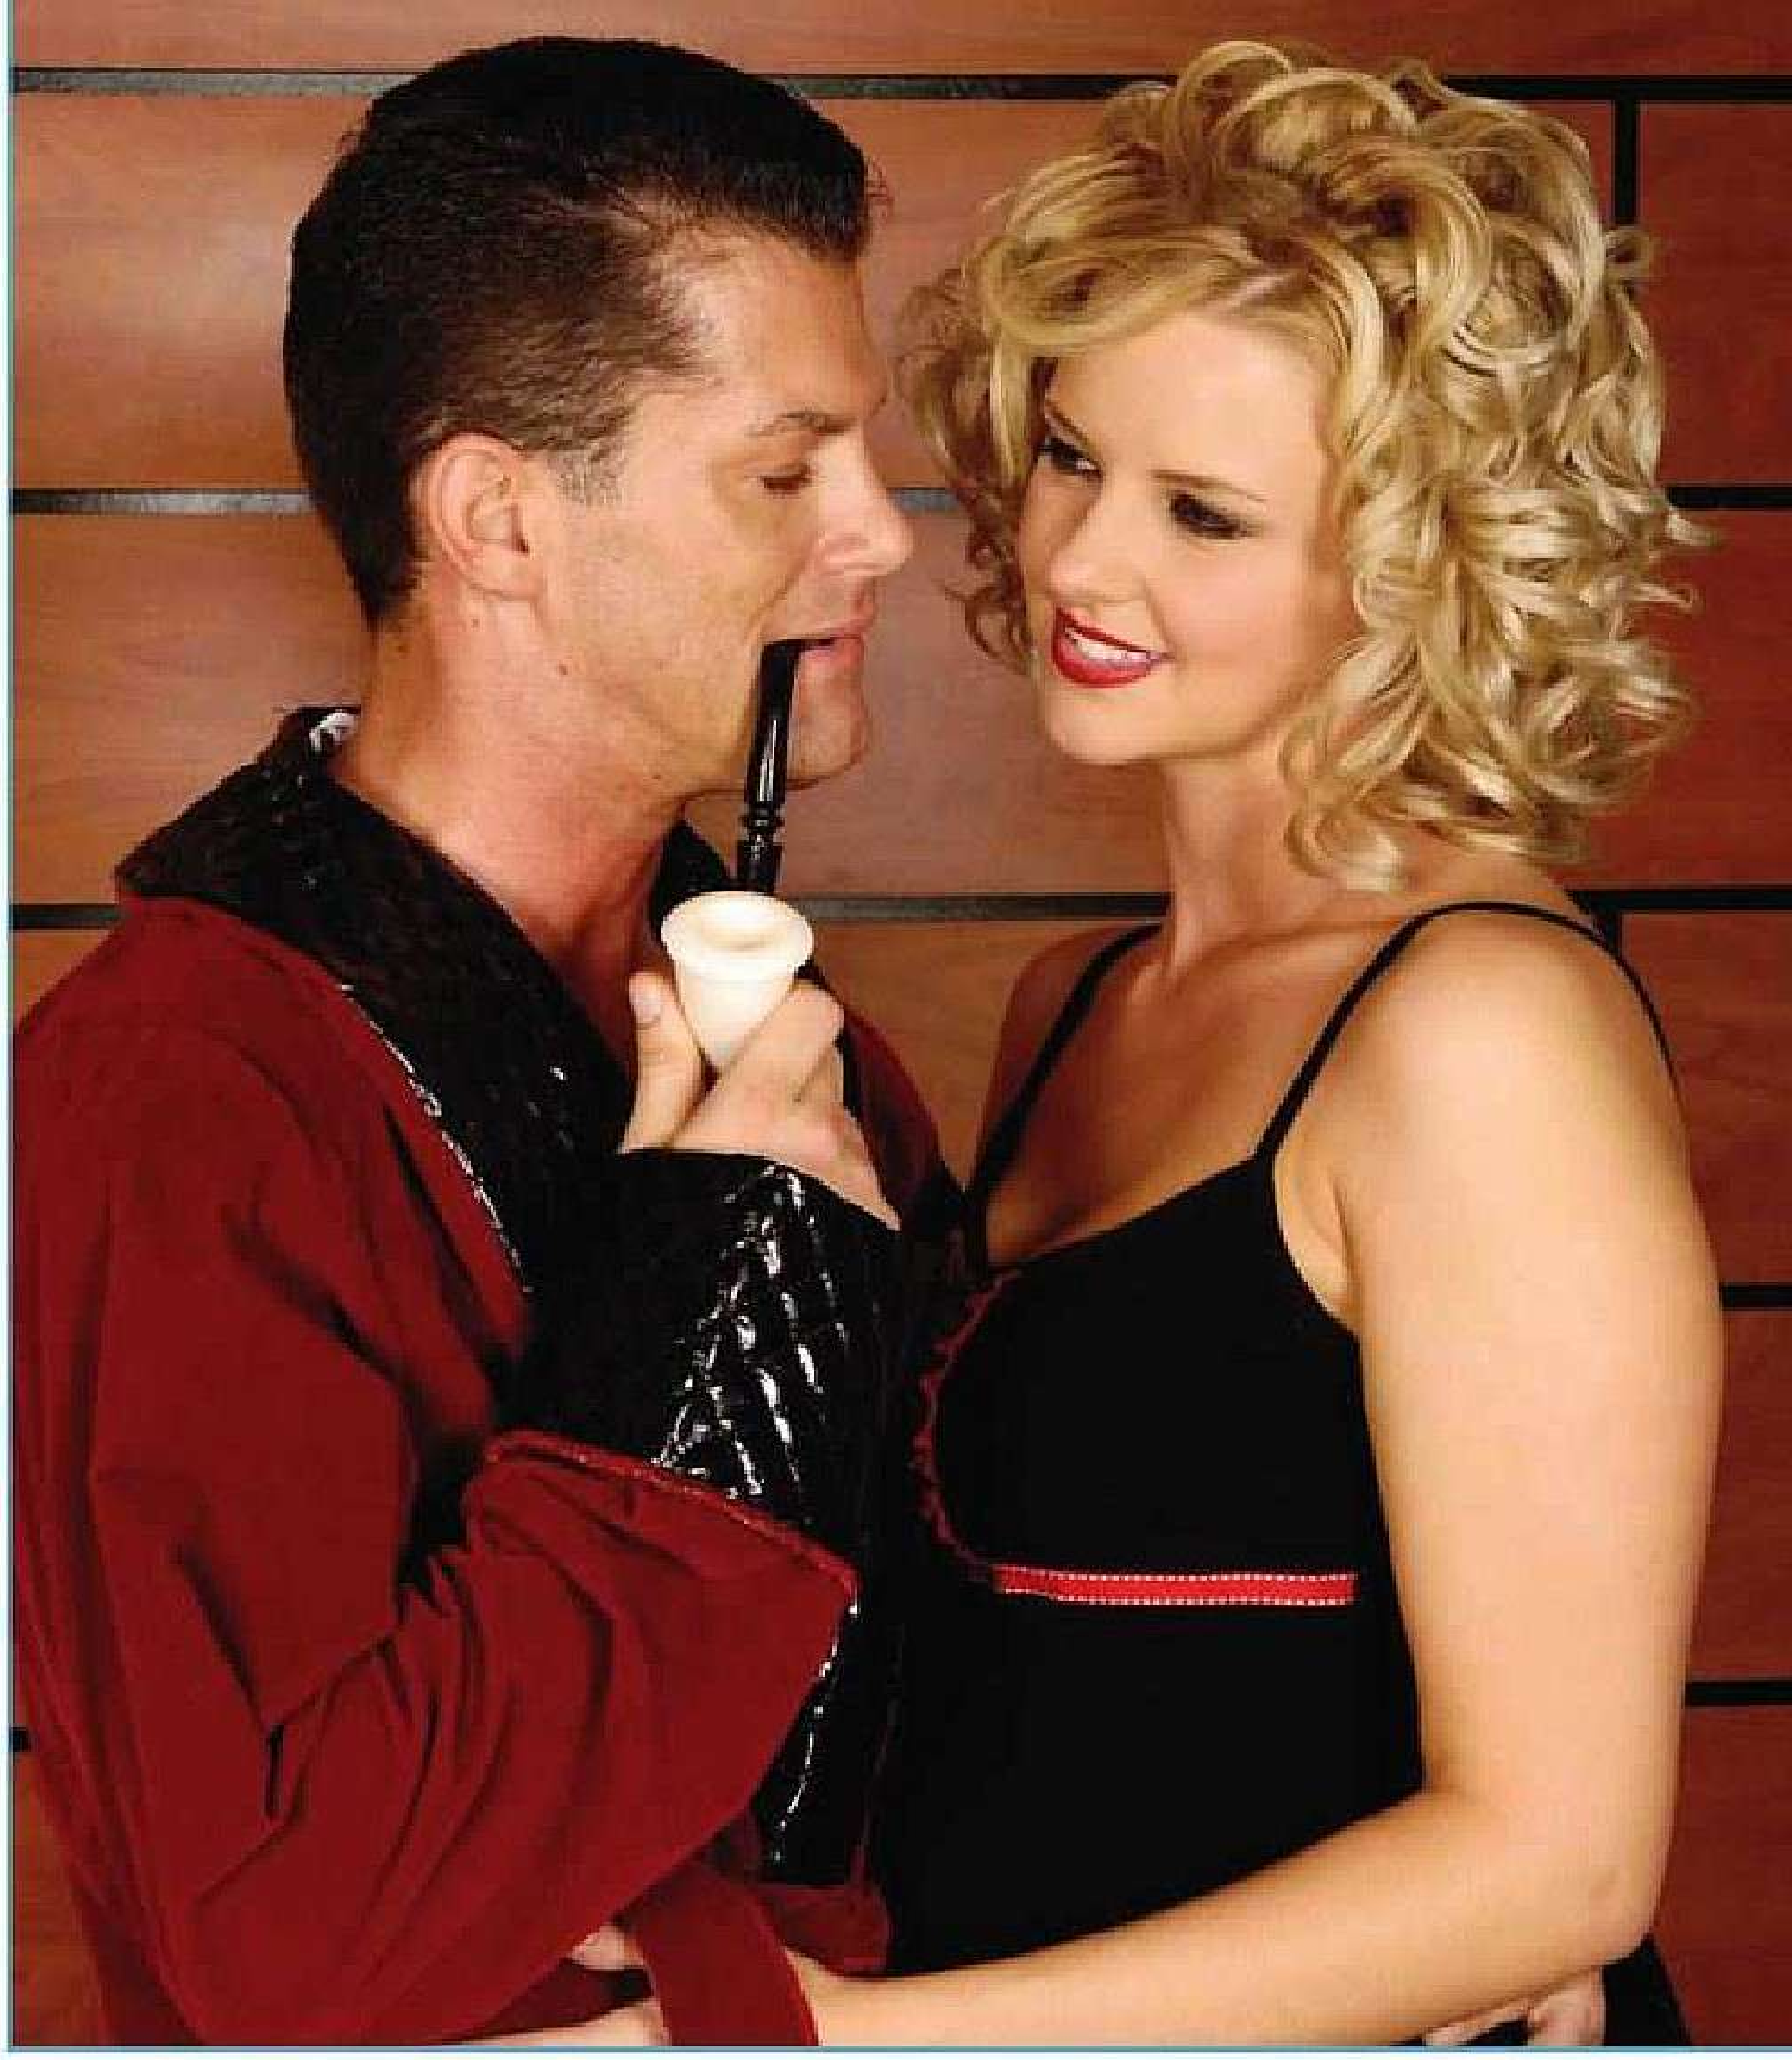
Hannah

Playing XXX Dress-Up

Hannah has always loved a good costume, especially in the bedroom. When it was time to get down to business, nothing turned Hannah on more than playing some good ol' XXX dress-up. Her husband had grown tired of it quick and refused to put anything special on for his hot mynx of a wife. He must have been bitching about it to his coworkers because one night, right after he had left for a business trip, his business partner Mike showed up at Hannah's door dressed like a detective. He had heard she'd been an extremely dirty, naughty girl and he was going to investigate the evidence and get to the wet, sticky bottom of Hannah's mystery. One look at his robe, and the giant bulge pushing up against it, and she couldn't help but pull him into the house for a private session.





Hannah dropped to her knees, making sure the detective could examine even her most hidden secrets.

USMC

This was one bad girl and she needed deeper investigation, much deeper.

It was just as Mike had suspected: this was no first-time slut. Cheating on her husband was making her pussy sopping wet.

Of course, he's not aware of the full extent of her perversity. While he knows she's indiscriminate with her choice in partners, he has no idea that she gets an intense thrill from servicing more than one man at a time.

She was writhing around like a porn star, her bouncing tits begging to be studied more closely.

Hannah's ready for further one-on-one investigation, are you?

Kiwi

Asian Nanny

Kiwi knew American men went crazy over her Asian looks and thick accent. She was exotic as hell and she was confident there wasn't a single guy who wouldn't want to spice up his sex life with a little Asian flavor. Her boss was no different. She worked as a nanny and took care of his three kids full-time until he or his wife told her to go home. The job wasn't hard, but she hadn't gotten a pay raise in two years and she had her own family to take care of. Her lazy husband had been fired several months ago and refused to look for new work and her kids weren't going to feed themselves. She needed to give her employer something that would be worthy of much better working conditions.

With her boss's wife away and the kids in bed, it was time for Kiwi to work her body. She saw him fucking her with his eyes and he was about to get the real deal.

Kiwi was going to be his sex slave. Whatever he and his cock demanded she was going to do.

Soon, she was moaning and humping like her life depended on it. She had forgotten how good a strong white cock felt in her Asian slit.

Kiwi needed him bad. Her pussy was burning hot and it was begging to be pounded harder and faster.

Her globes covered in cum, it's safe to say this
girl knows how to earn a bonus.

LIFE LESSONS

"Okay, stop. Stop!"

Jessica slammed on the brakes, almost sending me flying right through the windshield and into the back of the police car she'd been tailgating for the last two blocks.

I pushed away from the scratch-laden dashboard, looked over at the eighteen year-old. "Maintain at least one car-length between yourself and the vehicle in front of you," I gritted. "We went over that – when you rear-ended the mini-van."

The pert little blonde in the white crop-top and ruffled pink skirt blushed under her tan, gripping the steering wheel like it was the neck of a mean girl. She turned her head and looked at me, smiling sorrowfully. "I just can't seem to get the hang of it, Mr. B."

A truck horn exploded behind us. Jessica screamed.

I waved the irate half-ton around, and Jessica pulled her sparkle-tipped fingers out of the wheel and smacked her brown little hands down onto her bare fleshy thighs, riding her short skirt up even more on her legs.

"Ohmigod!" she moaned suddenly, looking down. "I've wet myself!"

The jaded and jittery veterans at the Driver Instructor Academy teach us to be prepared for anything when training wannabe motorists, but this had to be a first. I glanced in between Jessica's smooth, caramel-colored legs. Her white cotton panties were peeking out, and there was a definite wet spot showing on them.

I turned redder than the stoplight up at the corner. "Uh, okay, why don't you just, um, pull into that empty parking lot up ahead, and we'll, uh, figure something out?"

Jessica grinned braces at me and floored the vehicle, bouncing us off the road and sailing us deep into the deserted warehouse parking lot. She skidded to a stop and turned off the car and looked at me, the seatbelt splitting her twin cupcake titties right down the middle. "I have a confession to make, Mr. B," the girl whispered huskily. "I think I'm wet for another reason besides fright and frustration."

I shifted the gearshift into Park, and she grabbed my hand and plunged it in between her legs, squealing as my fingertips squished up against her soft, springy dampness. "It's you, Mr. B!" she gushed. "I have a total crush on you, Mr. B!"

I gaped at her, feeling her warm juicy wetness, my dipstick tingling with unreasonable excitement in my pants. I was more than twice as old as the girl; I had professional standards to maintain. My job was to show her the road, not the ropes.

But none of that mattered anymore, not with her lush titties bobbing up and down on her heaving chest, her bare, sun-bronzed limbs blazing away, her sodden pussy pulsing against my fingers – my rubbing fingers.

"Oooh, yes, Mr. B!" Jessica moaned, her eyelashes fluttering. "That feels sooo good!"

There was no one around – no cops or DMV officials, no wife. I rubbed faster, excitedly petting the girl's cotton-clad kitty. She grabbed my head and kissed me on the mouth.

Her lips were warm and wet and soft as her pussy, her breath bubblegum-fresh in my mouth. She smeared my face with strawberry lipstick, clawing at my grey hair, undulating her pussy against my experienced, buffing fingers. My cock was a vibrating rod of unabashed sensation in my pants.

Jessica let go of my head, shrugged off her seatbelt and peeled off her top. Her conical boobs bounced out into the open, tanned as the rest of her, tipped by puffy, succulent nipples. She gripped her tits and squeezed them, plucking at her nipples, as she thrust her cunt against my fingers, urgently trying to get herself off.

But what kind of instructor would I be if I gave short shrift to such a rich learning opportunity? The one-off kind of instructor, that's what kind. And I wanted to keep this luscious vixen coming back for more.

So we scrambled over to the backseat, so I could really demonstrate the width and depth of my knowledge to Jessica. She flopped down on her back and I sprawled on top of her, grabbing up her boobs and plunging her nipples into my mouth. She squirmed and moaned with delight, as I groped her ripe tits, sucked on her blossomed buds.

She wriggled her panties down and then grabbed onto my cock. It was my turn to squeal, jolted by the girl's hot palm and warm, clutching fingers on my ultra-sensitive throbber.

"Stick it in me, Mr. B!" she gasped. "Please, fuck me, Mr. B!"

Like all hormonally-injected teen queens, she was impetuous, quick off the mark. She stuck my cap through her pussy lips and plunged my shaft into her tunnel before I could even react to her pleadings.

She was pure velvet wetness. We moaned in each other's faces.

Gripping her tits and tonguing her slippery, kitten-pink tongue, I fucked the girl, stick-shifting back and forth in her pussy. She wrapped her legs around my waist and dug her nails into my back, as I hit third gear, fourth.

I was bathed in sweat and her sweetness, pounding into her young, tight pussy. She screamed, quivering wildly with girly orgasm beneath me, gushing against my thrusting loins.

I rocked and cocked her in fifth gear, worried only slightly that the pussy-alarm I'd set off would attract passers-by. Then I worried no more, as my flapping balls suddenly tightened and tingled, and my pistoning prick surged come-hard in Jessica's cunt.

"I'm-" I yelled in her erotically scrunched-up face. I couldn't get all the words out, just the cum, in great, jolting, shuddering blasts.
The girl keeps failing her road test with the DMV. But never with me.

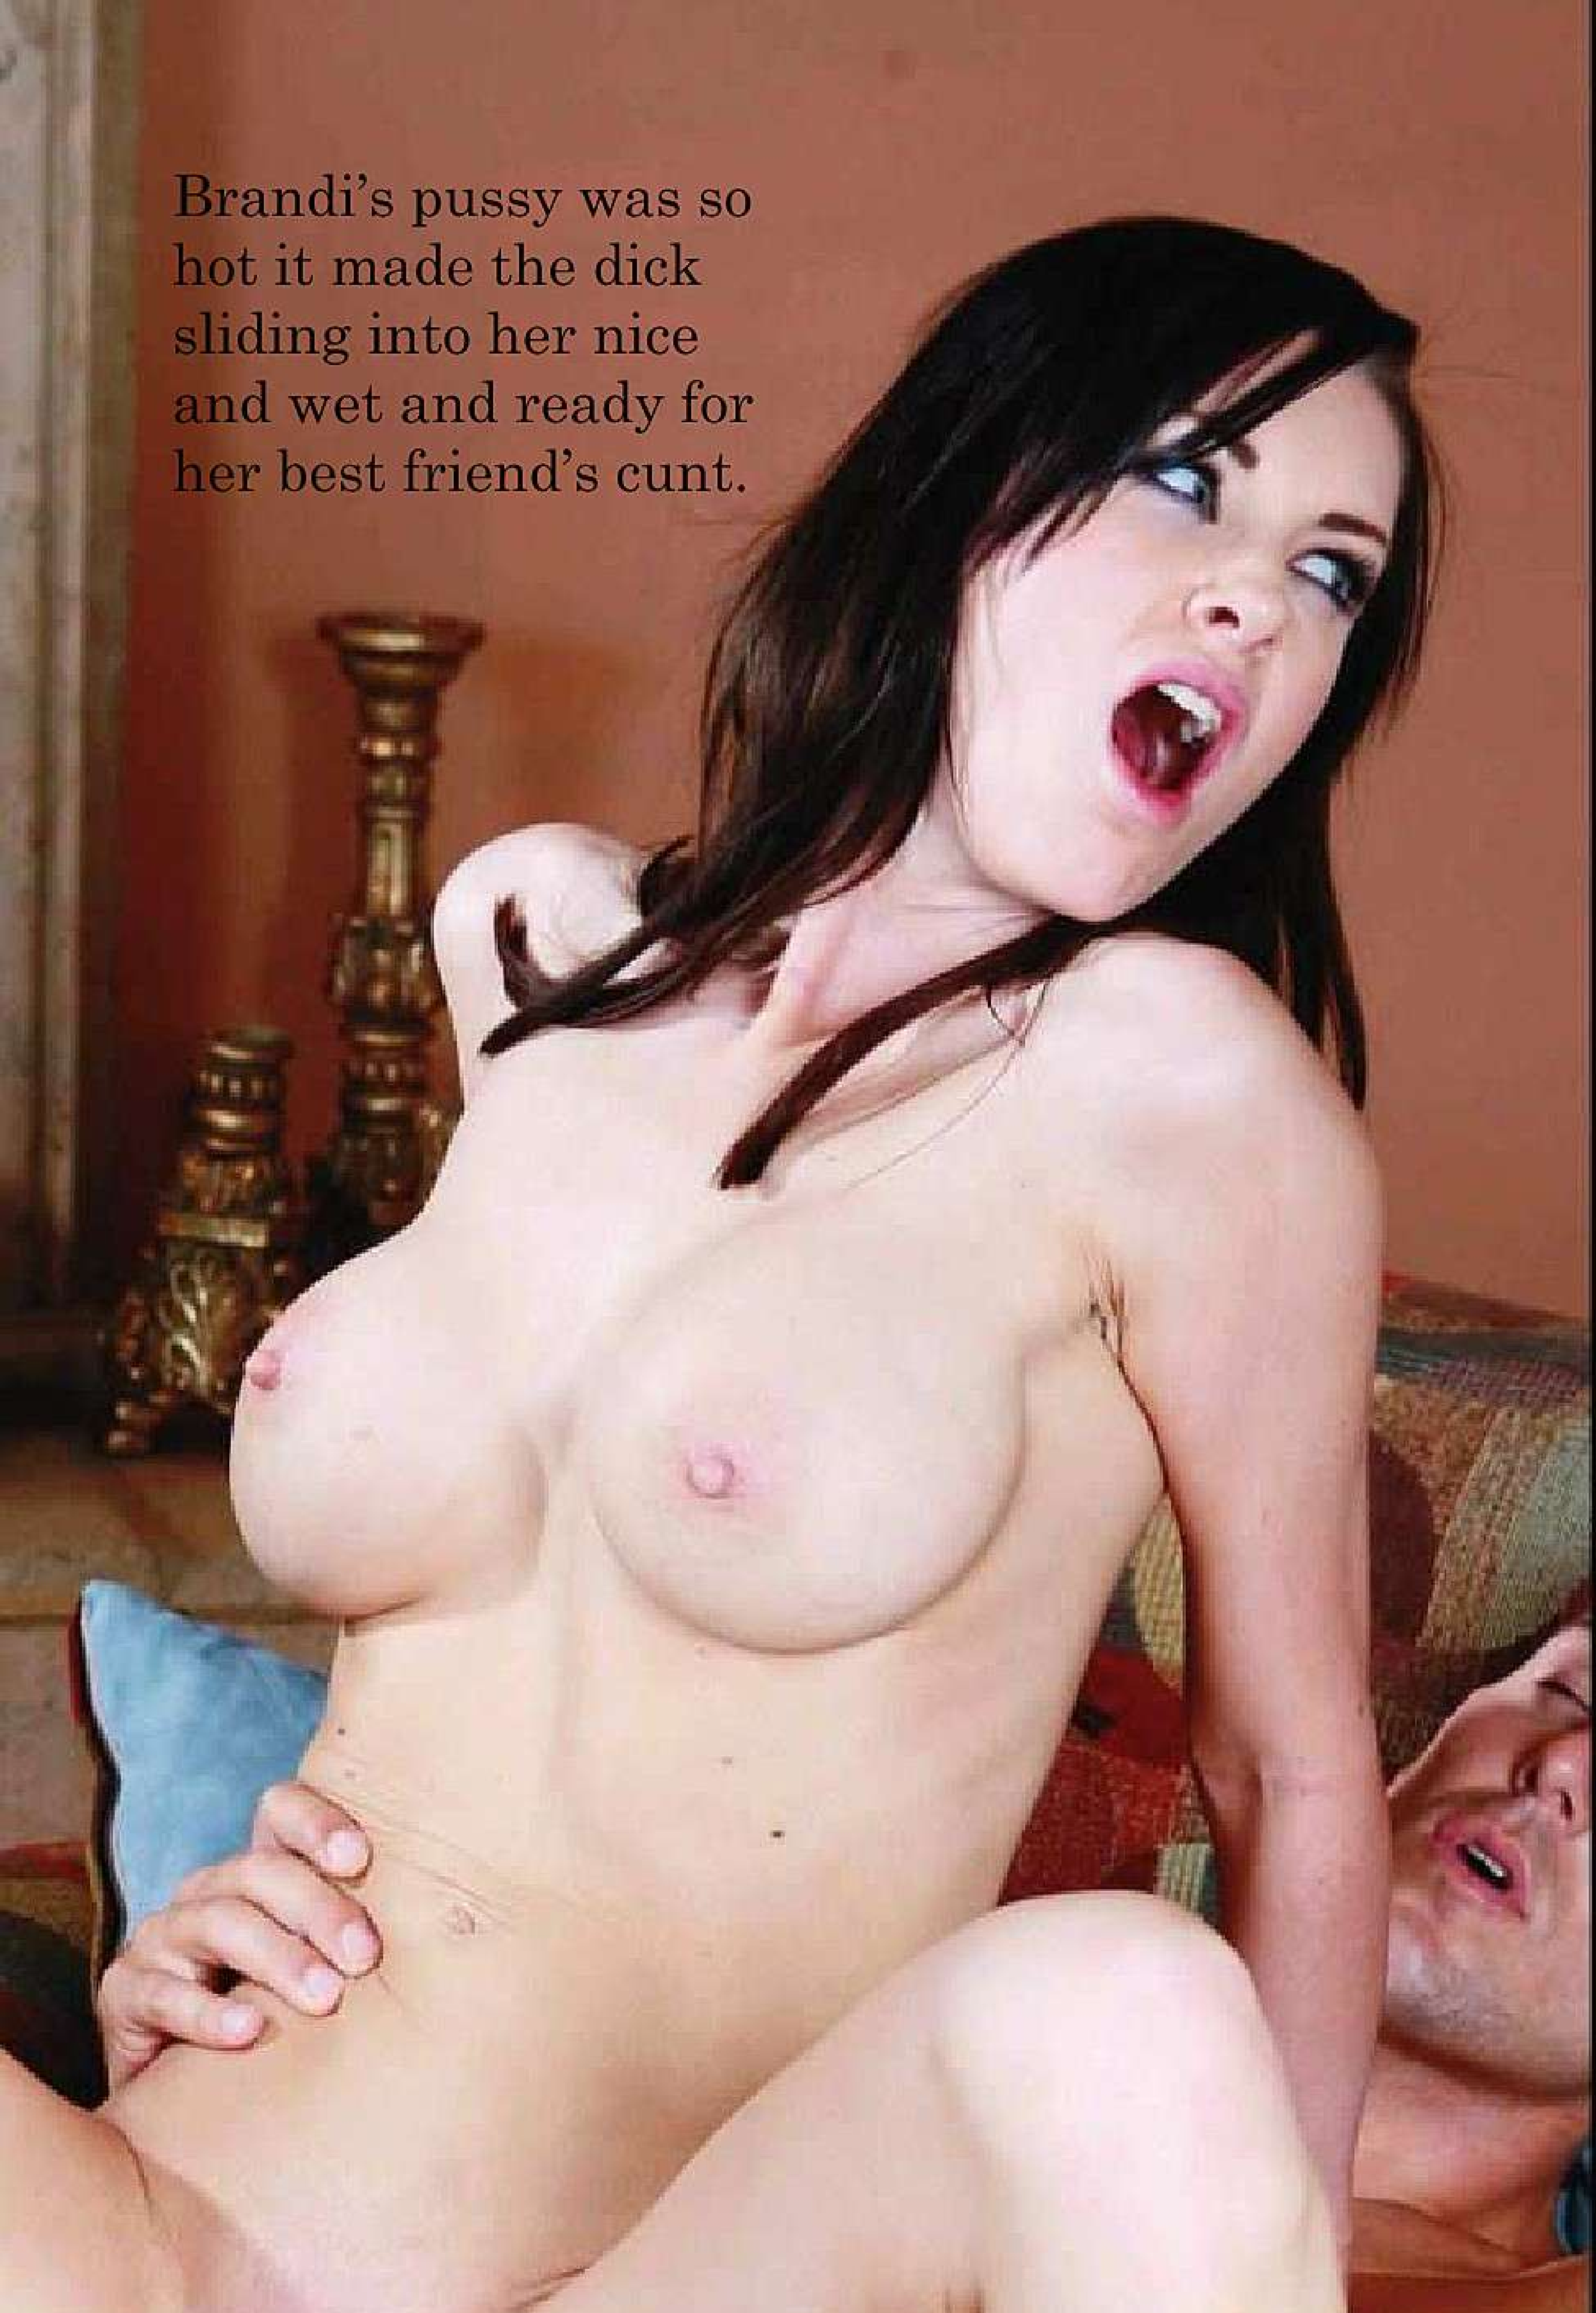
Brandi & Trina

Next Door Sluts

Brandi and Trina have been best friends for years. They met in high school, got married in the same month, to brothers, and now lived next door to each other. Everything was great until their husbands decided that business and money were more important than their sexy housewives. The kinky duo was horny and alone, and both girls were aching for a good banging. They started messing around with each other but soon found out that a yummy pussy can only take a girl so far.

They had always fantasized about sharing a prick and when their hunky mailman came to the door, he was met by two very sexy and very wet sluts.

Brandi and Trina had gone without real dick for too long. They jumped on the mailman like wild animals and started fucking his brains out.



Brandi's pussy was so hot it made the dick sliding into her nice and wet and ready for her best friend's cunt.

Trina wanted to be stuffed but she also wanted Brandi's tongue on her nipples and clit.And Trina always got what she asked for.

All the lezzy fucking made Brandi ready for Round 2. These girls love cock and they're willing to share their tight holes with anyone who loves pussy.

Renee

Latin Lover

Moving to the tropics with her husband had seemed like a good idea - hot temperatures, sunshine, beaches, a more relaxed lifestyle and plenty of new job opportunities for her hubby. They packed up their entire house and moved down south, but what Renee soon found out was that her man's new business ventures mostly consisted of him fucking his secreatry and any other woman who would walk into his office. She knew their spark had been gone for a while, but she thought the change of life would bring them closer togthere, not tear them further apart. But if that's how he wanted things, that's how he would have them. Lucky for Renee, her housekeeper Juan was a hot piece of ass.

When Juan stepped out onto the patio, ready to clean the pool, he found the slutty American half naked and on her knees.

Renee was wet with joy - not only was he good looking, he was well hung.

squealed

The bitch squealed and moaned as she was split open by the biggest rod she had ever taken.

text

If he felt so good in her cunt, he had to feel even better in her tight star. Without asking, she shoved him inside her for some good, rough anal.

Renee was so hot and horny she thought she was going to bruise her clit from rubbing and pulling it so hard.

The great thing is, she just never seems to get tired. This girl can go through more positions than a fucking ballerina.

Her ass filled with cum, she started to cool off. If other men felt this good, she was going to have to start fucking someone new every day...

Kinzie

Naughty Trophy Wife

Kinzie had married young, almost too young, but she genuinely did like her husband. Yeah he was older, but he treated her like a princess and didn't let her lift a finger. She never expected to see pictures of him riding the brains out of someone younger, and she definitely didn't expect that someone to be her cousin. The pictures were on his laptop and she wasn't meant to see them, but that's what happens when you walk away from your computer while you're still logged in. She was about to pack her bags and move out but then she had a much better idea. Kinzie knew her husband had always been jealous of his successful younger stud of a brother, Todd, and she also knew Todd always stared at her tits and grabbed her ass when he came over. She could take pictures too and hers were going to be way more raunchy. She was also going to print them out for her husband.

Kinzie called Todd over to help her fix the BBQ and when she opened the door she met him with a camera and a sexy striptease.

She was naked and sucking his cock in seconds. Working her tongue ring over his cock head, she made him scream and agree to being photographed.

Kinzie's little tight pussy was wet with lust. She was ready to pump his rock-hard dick sore.

The foxy temptress was begging for doggy style. She felt dirty, and she liked it.

Swallowing every last drop of cum like a good little girl, Kinzie decided she had to keep the pictures and start fucking around more insted. This slut is on the hunt for new cock, will it be yours?

Ciera

Tag-Teaming MILF

Ciera wasn't enjoying life anymore like she used to - she was bored. She had spent most of her years doting over her husband and raising their son. She had given up a promising career and most of her friends to provide for them and what did she get in return? Nothing. Her husband rarely wanted to touch her, let alone fuck her, and her son only cared about partying with his friends and getting laid. When Ciera overheard two of her son's mates calling her a MILF, she had a very dirty idea. She'd always wanted to have two cocks at once and she was going to start living her life again.

With her son in the shower and his friends watching TV, all Ciera had to do was walk into the room with her giant boobs hanging out and demand a good banging.

Pjur
ORIGINAL

Her slit aching from having gone without dick for too long, the slightest touch of a cock head to her pussy lips made her drenched.She would have screamed but her mouth was filled with cock.

Ciera never allowed anal before but what the hell? She was taking her life back and she was ready to be wild.

Young, hard dong felt so good in her star, she jumped on the other one too and pumped until she was aching and ready to explode.

Ciera was right - younger cocks are delicious. Will you give her a taste?

Madison

Fighting Eviction

Madison liked sex, and it didn't take a genius to see her body was built for it. She also liked to get loud when she was getting frisky and she knew her neighbors were constantly calling in complaints. Maybe if they had a boring husband, they would understand her needs better, but they didn't and Madison had just gotten her eviction notice. If she didn't know how to keep it down, she was getting kicked out. Madison couldn't stand to lose her sex apartment, it was the only thing that kept her sane. Her hubby was anything but exciting in the bedroom, so she regularly went out to find men who could satisfy her and brought them back to her fucking apartment. If she was kicked out, she'd have to find something else quick, but she liked the rent and location here. Madison could only think of one way out of this mess - she had to get the landlord on her side.

Madison called him up to her place, saying she wanted to explain things in person. Little did he know, she was going to let her luscious globes and delicious holes do the talking.

Madison didn't even strip him down before she was sucking on his juicy dong with her full red lips.

The horny slut was an expert in fucking. She clenched her pussy tight around the cock pumping her, pushing her round, toned ass back at him. The groans of passion let her knew she was doing things right, of course.

Madison twisted and bounced as if this was going to be her last fuck. If she didn't work hard enough, it might just have been.

Now that she's won her apartment back, Madison is on the prowl for new conquests to be a noisy bitch with...

PARK IT RIGHT HERE

When a woman reaches forty-five, she has to choose between her face and her ass. You want a full, filled-out face, you're going to have a fat, drooping ass. You want a tight butt, you're going to have a gaunt-looking face.

I chose my ass. For two reasons: 1. after four kids and three horny husbands, my pussy had lost some of its snap, anyway, and 2. I'd tried anal sex on my 44th birthday, and loved it. So, when I hit forty-five, I went on a strict diet and a Madonna-like exercise program, toning my glutes to the point where you could bounce a cockhead off them. My face lost some of its fulsome beauty, but I never looked better from the back.

I like to show off all my hard work, too, in tight jeans and short shorts at home and play, and in form-fitting skirts augmented by sky-high heels at work. When I'm strutting around with my booty thrust out behind me like that, few men can resist. My new boss at the truck garage proved no exception.

We share an office in a portable trailer at the rear of the garage, a great view of the studly mechanics working inside and out with their shirts off. I was bent forward, staring longingly out the wire-meshed window, when Darren gripped my hips and pressed his hard cock into my bum cleavage. "I can't help myself, Noreen!" the tall, dark-haired twenty-something groaned, pumping his dick in between my rounded ass-walls in my black stretch-skirt.

"Help yourself," I purred, undulating my bottom against his boner.

The feel of the guy's swollen excitement made me tingle all over, my new, preferred erogenous zone burn with desire. I sunk my long, red fingernails into the wooden windowsill and shimmied my butt up and down his steely length, bouncing on my black leather stilettos, staring at the handy-boys outside the garage.

Darren's no book cover hunk by any means, but that slab scouring my crack showed me he was going to measure up in my dirty book. He tore at my skirt, trying to pull it off.

"Easy, big guy," I chided the impetuous young man. I reached back and unfastened my bum-hugger, slid it slowly, sensuously down my smooth, bronze back-humps.

I could hear the guy's drool splash the plywood floor, then my skirt, as it puddled there. My butt cheeks were split by a neon-red thong, highlighting their impressive height and depth.

Darren regarded the sculpted beauties for only a second. Before ripping my thong aside and shoving his now naked prong in between my bare cheeks.

"Yes!" we both gasped, shuddering. The hot skin-on-skin contact was wonderful, the throbbing heat of cheek-sandwiched meat wickedly welcome.

Darren pressed his fingers into my hips again, as he moved his hips, pumping his dong back and forth in my crack, gliding his foreskin along the super-smooth length. I held onto the windowsill with one hand, clutching up a tit with the other, feeling his strokes.

"I want to fuck your ass, Noreen! Stick my cock inside your hot ass and fuck you! Can I?"

The kid still had a lot to learn about taking command. I hadn't paraded my bum around in short, tight skirts, displayed it propped up with high heels, for the past two weeks for him to back out now.

I gripped his dick with my cheeks, squeezing the both of us full of pleasure. "In my purse!" I hissed. "On the floor! Lube!"

He dislodged his cock and emptied my

purse. He found the lube, greased his hard-on. I looked back at him, watching the erotic hand-to-cock action, admiring the length and breadth of his erection. This guy was going to plumb my depths, all right.

His slippery fingers rubbed my crack. I moaned, rotating on his scrubbing digits, grabbing at them with my cheeks. Then I focused my attention back on the buff boys out in the yard, as Darren focused the head of his hammer on my pucker.

His meaty hood squished against my tender bumhole, then burst through my resisting ring, jolting me with joy. Shaft sunk into my anus, thick pulsating inch by thick pulsating inch, swelling my shimmering bum, stuffing me full of feeling. His balls bumped against my butt cheeks, the dog's bone buried inside my ass.

The men outside were spraying each other with a waterhose. The pressure and wetness was even higher inside, Darren thumping my bum, delving my chute, pumping my pussy full of juice. He rocked me back and forth on my heels, my nipple a buzzing, bobbing projection between my plucking fingers.

I pulled my hand off my tit and plunged it down to my pussy, fingered my clit. It was as hard as that pistoning cock in my ass. I rubbed it in rhythm.

"Oh, Noreen! Oh, fuck, Noreen!" Darren blurted, sawing my anus with abandon. Then searing it further with cum.

Hot semen flooded my chute, burst after burst. My clit went off under my stroking fingers, triggering heated gushes of my own, from my pussy. We groaned and shook and spurted, doused with orgasm like the boys out back were doused with water.

My plan is to get rear-ended by each and every one of them.
